Hi Rick,

Just checking in to see where you are in your review. If you can provide an update so I can inform the program that would be very helpful.

We appreciate all your work on this. Hope you are having a good day.

Thanks,

Elyana

Hi Rick,

I got your voicemail regarding your timing on review of the FIP. Thanks for getting back to me. It's my understanding that we are in the process where Janet wants OGC concurrence before she reviews.

We had some last minute changes to language that characterizes the Reservation. As I type this email, Claudia is finalizing the SharePoint version with those changes

and you will have a clean version to review by 5:00 pm MST today.

If you have any questions, please let me know.

Thanks,
